**DISCLAIMER**  
Storm Tide Evacuation Zones are based upon geographical data. Evacuation Zones are designed to provide an easy to understand method for the public to identify coastal areas that may be affected by storm tides caused by tropical cyclones or severe east coast storms. Every effort has been made to ensure that the information contained within these Public Information Maps is accurate. However, Townsville City Council does not give any warranty or accept any liability in relation to the content of these maps.
